Annual DBE Re-Certification Review

In accordance with 49 CFR Part 26 and Part 23, the VI Department of Public Works is required to notify all certified Disadvantaged Business Enterprise (DBE) that they are required to submit a DBE Annual No Change Declaration, attesting to their continued status as a "socially and economically disadvantaged individual".

All certified DBEs must provide the appropriate supporting documentation as follows:

- Firm's complete signed Federal Tax Return (with schedules & attachments)
Complete signed Federal Tax Returns for all business affiliations of the owner(s)
Current Employees: (Report number only of Full Time, Part Time and temporary employees as of year-end reporting period.)

VIDPW must be notified, in writing, of any changes that would affect the size, disadvantaged status, ownership, or control requirements, or of any material changes in the information provided in the certification application as follows:

- Written notification must be provided within 30 days of the change.
Supporting documentation describing in detail the nature of the changes must be attached.
Failure to notify VIDPW in a timely manner of changes which affect certification eligibility can result in certification being removed.

You are encouraged to complete DBE Annual No Change Declaration online at dpw.vi.gov . Alternatively, participants may visit our offices to request a recertification package.
